

Product Information

Anti-SERPINA7
antibody produced in chicken,
affinity isolated antibody

Catalog Number **GW20061B**
Formerly listed as GenWay Catalog Number 15-288-20061B,
SERPINA7 Antibody.

Storage Temperature Store at -20 °C

Synonyms: Serine (or cysteine) proteinase inhibitor, clade A,
member 7

Product Description

Major thyroid hormone transport protein in serum. Defects in SERPINA7 are a cause of TBG deficiency. Mutations in the SERPINA7 gene can result as a whole spectrum of deficiencies. characterized by either reduced or increased TBG levels in the serum. Patients show, respectively, reduced or elevated protein-bound iodine but are euthyroid.

NCBI Accession number: NP_000345

Gene Information: Human .. SERPINA7 (6906)

Immunogen: Recombinant protein Serine (or cysteine)
proteinase inhibitor, clade A, member 7

Immunogen Sequence: GI # 4507377, sequence 101 - 291

The product is a clear, colorless solution in phosphate buffered saline, pH 7.2, containing 0.02% sodium azide.

Species Reactivity: Human

Tested Applications: WB

Recommended Dilutions: Recommended starting dilution for Western blot analysis is 1:500, for tissue or cell staining 1:200.

Note: Optimal concentrations and conditions for each application should be determined by the user.

Precautions and Disclaimer

This product is for R&D use only, not for drug, household, or other uses. Due to the sodium azide content a material safety data sheet (MSDS) for this product has been sent to the attention of the safety officer of your institution. Please consult the Material Safety Data Sheet for information regarding hazards and safe handling practices.

Storage/Stability

For continuous use, store at 2-8 °C for up to one week. For extended storage, store in -20 °C freezer in working aliquots. Repeated freezing and thawing, or storage in "frostfree" freezers, is not recommended. If slight turbidity occurs upon prolonged storage, clarify the solution by centrifugation before use. Working dilution samples should be discarded if not used within 12 hours.
