

Product Information

Anti-MORF4
antibody produced in chicken,
affinity isolated antibody

Catalog Number **GW22386**
Formerly listed as GenWay Catalog Number 15-288-22386,
Mortality factor 4 Antibody.

Storage Temperature Store at -20 °C

Synonyms: N/A

Product Description

Cellular senescence, the terminal nondividing state that normal cells enter following completion of their proliferative potential is the dominant phenotype in hybrids of normal and immortal cells. Fusions of immortal human cell lines with each other have led to their assignment to 1 of several complementation groups. MORF4 is a gene on chromosome 4 that induces a senescent-like phenotype in cell lines assigned to complementation group B.

NCBI Accession number: NP_006783.2
Swiss Prot Accession number: Q9Y690

Gene Information: Human .. MORF4 (10934)

Immunogen: Recombinant protein N/A

Immunogen Sequence: GI # 6996928, sequence 1 - 235

The product is a clear, colorless solution in phosphate buffered saline, pH 7.2, containing 0.02% sodium azide.

Species Reactivity: Human, mouse

Tested Applications: WB

Recommended Dilutions: Recommended starting dilution for Western blot analysis is 1:500, for tissue or cell staining 1:200.

Note: Optimal concentrations and conditions for each application should be determined by the user.

Precautions and Disclaimer

This product is for R&D use only, not for drug, household, or other uses. Due to the sodium azide content a material safety data sheet (MSDS) for this product has been sent to the attention of the safety officer of your institution. Please consult the Material Safety Data Sheet for information regarding hazards and safe handling practices.

Storage/Stability

For continuous use, store at 2–8 °C for up to one week. For extended storage, store in -20 °C freezer in working aliquots. Repeated freezing and thawing, or storage in "frostfree" freezers, is not recommended. If slight turbidity occurs upon prolonged storage, clarify the solution by centrifugation before use. Working dilution samples should be discarded if not used within 12 hours.
