**Chemical: Leishman's eosine-methylene blue for production**

Item No.: 1.01350.0010

Batch No.: FN1355750

**Order No.:** \_\_\_\_\_

Above mentioned batch is not suitable for product 1.01350.0010 Leishman's eosine methylene blue for microscopy due to an extinction value which is slightly out of spec:

Absorpmax1 / Methanol 623 – 627 nm is 628 nm and therefore has been rejected.

The application test and all other parameters are within their current specification ranges. Please check from your side whether you are willing to accept this material. An alternative material is not available at the time being. Therefore Merck KGaA requests approval to supply the chemical stated above.

-----  
Concession of the customer:

We do accept the above mentioned chemical \*

We do not accept the above mentioned chemical \*

Please let us know, when you will be able to deliver according the specification\*

\* please tick as appropriate

Company: \_\_\_\_\_ Department: \_\_\_\_\_ Name: \_\_\_\_\_

Date: \_\_\_\_\_ Signature: \_\_\_\_\_
