

EC Declaration of Conformity

Application of Council Directive(s) 2004/108/EC
2006/95/EC using EN61010-1

Manufacture's Name: Glas-Col LLC
Manufacture's Address: 711 Hulman Street
Terre Haute, IN 47802 U.S.A.

Declares that the product

Product Name: Temperature Control
Model Numbers: 104A PL524

Conforms to the following Product Specifications:

2004/108/EC Electromagnetic Compatibility Directive

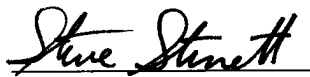

EN 61326-1	2006		Electrical equipment for measurement, control and laboratory use – EMC requirements (Industrial Immunity, Class B Emissions).
EN 61000-4-2	1996	A1, A2, 2001	Electrostatic Discharge Immunity
EN 61000-4-3	2006		Radiated Field Immunity
EN 61000-4-4	2004		Electrical Fast-Transient / Burst Immunity
EN 61000-4-5	2006		Surge Immunity
EN 61000-4-6	1996	A1, 2, 3, 2005	Conducted Immunity
EN 61000-4-11	2004		Voltage Dips, Short Interruptions and Voltage Variations Immunity
EN 61000-3-2	2006		Harmonic Current Emissions
IEC 61000-3-3 ¹	2005		Voltage Fluctuations and Flicker

2006/95/EC Low-Voltage Directive

EN 61010-1	2001	Safety Requirements of electrical equipment for measurement, control and laboratory use. Part 1: General requirements
-------------------	-------------	--

We, the undersigned, hereby declare that the equipment specified above conforms to the above directive(s).
